

# OPERATION AED

## Community Outreach Program

High School : _____	School Contact: _____
Email: _____	Phone: _____
Address for AED / Banner to be shipped? _____	ATTN: _____
Contact name/email of local news outlet/reporter (to let them know a local biz helped fund a new AED for your District): _____	

This agreement is made between EWH, Inc® d.b.a. Sports Image® and the School stated above.

**There is NO financial obligation on behalf of the School.**

Once a Sponsor is secured by Sports Image® & approved by School Contact then:

**Sports Image® is responsible for:**

- Purchasing & Shipping a fully-automated AED (& associated components) to the address indicated above.
- Purchasing & Shipping 1 wall banner (3'x5') with a "Save-A-Life" sponsor logo on it to School.

**School is responsible for:**

- Obtaining the training & certification to operate the AED and remaining up-to-date on the operation of the AED. Keeping fresh batteries in the AED. Staying compliant with all state regulations regarding the ownership & use of the AED at a school location of its choice. Keeping the AED software up-to-date (we highly recommend you utilize an AED Management Program for your AEDs to keep them up-to-date).
- Hang the wall banner (3'x5') in highly visible area for 5 years in the High School Gymnasium (or stadium) to recognize sponsor for helping to purchase the AED for the School.

The school recognizes that Sports Image® is not a healthcare provider nor does Sports Image® sell medical devices. All AEDs are provided by a third-party AED provider. School will defend and hold harmless Sports Image® for any damage or injury caused by the AED, the improper use of the AED, or the School's failure to comply with this agreement.
